Re: Transfer of Notice of Intention, Buena Ventura Corporation (BVRC), AROC
#1 Mine, S/047/032, Uintah County, Utah

Dear Mr. Bachtell:

Thank you for providing documentation regarding the lease for the AROC #1 property. The Affidavit of Nondevelopment and Oil, Gas and Minerals Lease were received by the Division October 19, 1993. These documents confirm that Pyramid Mining Inc. no longer holds a lease for the property and that BVRC is the new lessee. The Small Mining Operations Notice of Intention submitted by BVRC in combination with these additional documents will be accepted by the Division in lieu of the usual Notice of Intention transfer forms. The Division now formally recognizes BVRC as operator of the AROC #1 Mine.

Thank you for your added efforts in completing this permitting action. If you have any questions regarding this issue please contact me.

Sincerely,

Anthony A. Gallegos
Reclamation Engineer
